

# Husqvarna AX 90

Husqvarna AX is a series of concrete vibrators designed to handle all types of concrete. It is reliable, durable and powered for the toughest jobs. The ergonomic electric motor-in-head design provides outstanding performance. Maintenance-free and offering a 100% start-up rate, the AX vibrators fit most applications.

- Frequency **200 Hz**
- Voltage **42 V**
- Hose length **5 m**
- Cable length **10 m**

Article number : POKERS AX 90 42 V | 3-

Phase | 200 Hz | 5 M - 967 94 00-01

## FEATURES

Want to take a closer look? Learn more about the product in depth by exploring its features and benefits.

### **Handles all types of concrete**

Designed to help you handle all types of concrete – from high to low slump concrete and thin beams to extensive foundations.

### **Built to last**

Equipped with roller bearings and induction hardened steel for extended service life. AX 36 and AX 40 have ball bearings.

### **Tough, flexible materials**

All cables and hoses offer excellent resistance, traction and bending properties.

### **Cover all concrete internal vibrations**

Ideal when several diameters are required on the same work site as one frequency converter allows you to run up to four vibrators simultaneously.

## SPECIFICATIONS

### Specifications

Rated current

**21 A**
