

# Husqvarna DS 150

This is our most versatile and lightweight drill stand. DS 150 is an ideal choice when you need a stand for smaller jobs requiring fast setup, for example light core drilling up to 150 mm diameter. The base plate has an integrated vacuum base that is fast to set up and gentler on the surroundings. It is easy and comfortable to transport thanks to a practical handle. Suitable for drilling holes in walls, floors and ceilings.
