

## POWER PACKS

# HUSQVARNA PP 492

Art.no: 970 45 59 01

With Husqvarna PP 492 electric power pack you can power your large wall sawing system Husqvarna WS 400 series, including the wire saw Husqvarna CS 10 and wall saw attachment WSC 40, as well as your Husqvarna PRIME™ handheld power cutters and drill motor. This means more work done with less equipment.

## FEATURES

### Flexible and efficient

Thanks to that multiple products can use the same power pack, you will increase your efficiency. You will need less machines at the job site and it will be faster to set up all machines on one power pack.

### A powerful high frequency power pack

A powerful high frequency power pack providing fast and accurate adjustment for each operating condition.

### Compatible with the PRIME™ product range

PP 492 is designed to be used with PRIME™ handheld tools and drillmotor in addition to WS 400 series in order to help you on site. For instance when cutting a door opening, this modular system can handle both wall saw cuts and over cuts.

### Adaptive regulation of software

A smart regulation of PP 492 gives WS 400 series a fast adaptation of behaviour to different materials during cutting, similar to WS 220's behaviour.

## TECHNICAL DATA HUSQVARNA PP 492

Art.no: 970 45 59 01

HUSQVARNA PP 492

### MOTOR

Output power	20 kW
Rated current (3 phase)	32 A
Voltage	380-480 V
Frequency	50/60 Hz
Power Source	Corded

### PRODUCT DATA

Water flow, min	3.5 l/min
Water pressure, max	7 bar
Water temp at min flow, max	25 °C
Pins	5

### DIMENSIONS

Product size length	26.8 in
Product size width	8.1 in
Product size height	16.6 in
Weight	56.9 lbs
Weight (complete product w/o side packed articles)	25.8 kg
Packaging length	600 mm
Packaging width	800 mm
Packaging height	730 mm
Article gross weight	55,000 g
