

## POWER TROWELS

# HUSQVARNA MCT 36

Art.no: 970 46 26 01

The MCT 36 walk-behind trowel offers good value for the money and is ideal for areas less than 500 m<sup>2</sup> reducing the time required to finish the job. This trowel is well balanced and can be effortlessly controlled in a wide range of speeds. MCT 36 will make your process more efficient and improve the concrete surface finish. Not available in North America and EU markets.

## FEATURES

### Ergonomic working position

Equipped with height adjustable "whale tail" trowel handle for comfortable operation.

### Powerful engine

Powered with reliable and effective four stroke gasoline engine.

### Variable speeds

Low speeds for floating, high speeds for burnishing. Throttle control located on the handle for easy adjustment.

### Achieve smooth surfaces

Adjustable pitch knob for changing the blade angle.

## TECHNICAL DATA HUSQVARNA MCT 36

Art.no: 970 46 26 01

HUSQVARNA MCT 36

### ENGINE

Motor/engine manufacturer	Loncin
Motor/engine model	G200F
Engine Power (As rated by the engine manufacturer)	4.1 kW
Fuel tank volume	3.6 l
Exhaust emissions (CO, EU V)	812 g/kWh
Power Source	Petrol

### PRODUCT DATA

Troweling diameter	915 mm
Blades	4 pcs

### DIMENSIONS

Weight	183 lbs
Weight (complete product w/o side packed articles)	83 kg
Packaging length	1,150 mm
Packaging width	1,060 mm
Packaging height	790 mm
Article gross weight	1,16,000 g
